

T-Nuts

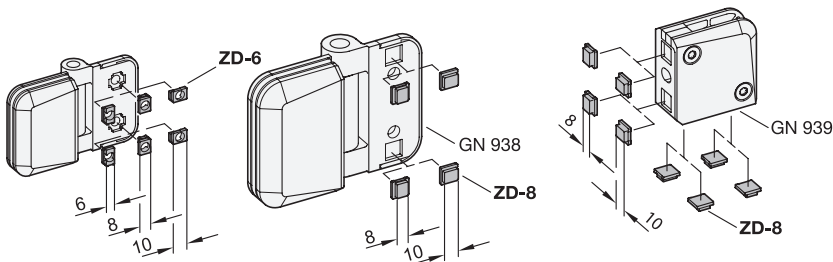

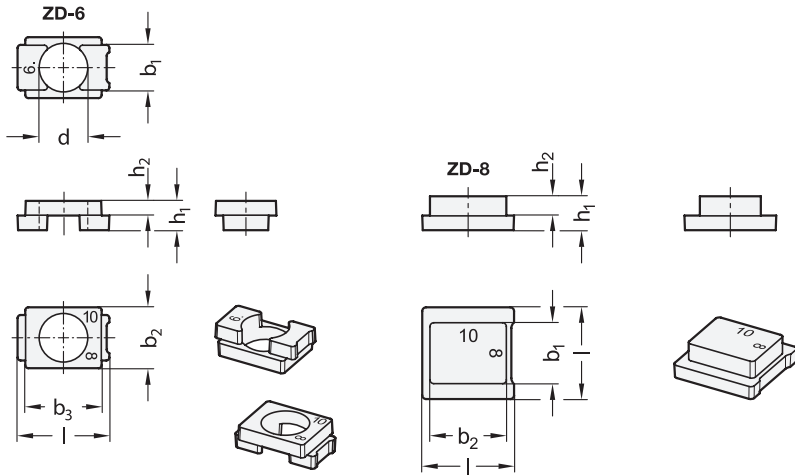

for Hinges GN 938 and Panel Support Clamps GN 939

SPECIFICATION

Zinc die casting ZD
Plain finish

INFORMATION

T-nuts GN 938.1 are offered as accessories for hinges GN 938 (see page) and panel support clamps GN 939 (see page).
When fastening the hinge or clamp to aluminum profile systems, the T-nuts will center and position the clamps with correct alignment.
Depending on how the T-nuts are oriented, they may be used in a variety of slot widths.
